## Please Pray For The Sherwood Family!

I stand amazed at how God has been working before we even arrived on the field here in Rapid City, SD. We arrived here on June 1st and we were able to move into our rental home on the 2nd day. On the 3rd day I was able to move into the church storefront building. We worked hard for 4 solid weeks on getting moved in & construction on the platform, altars, and pulpit, setting up chairs & tables. The whole time going out every day and witnessing, telling people about the new church plant and the work that God has called me to here in Rapid City, SD. We were able to hold our 1st Church services on June 27th, which was also my birthday. What a great birthday present, and one I will never forget! We had a total of 7 people present all day Sunday, am, noon, and evening. One visitor was a man named Bro. Mike. He wept after I preached Sunday night and testified that he knew God had sent me, because he had been praying for over a year and had about given up on attending church, he was at-

tending a southern Baptist that didn't preach the King James Bible, and his wife wasn't going with him to that church any longer. He has been faithful to every service that I have had since—a total of 15 church services now. He cried & told me Wednesday night after service that "I saved his life by coming here to start this church", Praise God! He has been faithful to go out with me every-day to witness and invite people to come to church! We had our 3rd Sunday service last Sunday and God brought in 17 visitors plus the 2 faithful

men that God has given me, plus my family that was a total of 22 people attending our 3rd Sunday service, and we had a family of 7 that could not be with us that Sunday, but they were with us in the prior service. I thought that I was dreaming when we pulled up to church with 9 visitors already there waiting at the door for me to open, Glory to God!!! Many tears have already been shed at our altars here, and we give God all the glory!!! Too many things to write now, please pray for our need still of \$3,500 for birthing our baby. God has given us a Midwife here in SD.
